Fu Donghui

Since joining AllBright in 2004, Mr. Donghui Fu has long experience in the area of international trade law practice. He is well known as one of the leading experts in trade remedies and WTO related affairs in China. He is also well known as a successful negotiator for trade friction cases. He is senior partner of AllBright Law Offices and Managing Partner of Allbright Beijing Office. Mr. Fu is Advisor of International legal affairs Committee of All China Bar Association.

ADR Experience and Qualifications

- Mr. Fu focuses on trade law practices involving mainly anti-dumping, anti-subsidy and safeguard cases with highly successful records.
- He has dealt with several WTO dispute cases by achieving good results.
- He has worked as legal advisor in international textile and clothing negotiations for 10 years.
- He has been involved in other trade related matters, such as export control, technical barriers to trade, GSP treatment, rules of origin, agricultural policy, sanitary and phytosanitary inspection, market access and Customs affairs.
- He has substantial experience in trade disputes before the European Court of Justice
- Mr. Fu has achieved many research programs and publications for international trade laws. He is author of "The Trade Remedy Essays on WTO AD and SCM Rules", China Legal Publishing House, January 2015, co-author of books covering, inter alia, "China's engagement in WTO Dispute Settlement", China Legal Publishing House, May 2020 and "Research on WTO AD and SCM Rules Negotiation of Doha Round", China Law Press, January 2011.
